Bond Maturity Rollover Account: 0.00% Variable Rate

What is the interest rate?

- The interest rate applied to this account is 0.00%.

Can Oxbury Bank change the interest rate?

Yes. This account has a variable rate of interest.

How do I manage my account?

- Your account is a matured bond account that does not allow further deposits.
- You can withdraw your matured funds to your Linked Account or transfer your funds to a new or an existing Oxbury Savings account.
- You will need a smartphone to use the Oxbury App to authenticate the access to your Oxbury Online Banking

Can I withdraw money?

Yes. You can withdraw up to the full balance of the account at any point. Please note that withdrawals can take up to 1 working day to process.

You can give us an instruction to open a new account with Oxbury or give us an instruction to return your money to your Linked Account.

Additional information

AER stands for Annual Equivalent Rate and illustrates the interest rate if it was paid and compounded once each year.

Accounts can be withdrawn from sale to new customers at any time and without notice.

We pay all savings interest gross, which means no tax is deducted.
